

IMMUNIZATION EXEMPTIONS

For children, whose legal guardian claims an exemption to immunization for medical, religious, or personal reasons, the legal guardian must complete an online immunization education module at immunize.utah.gov or an in-person consultation at a local health department. A copy of the form must be presented to the school or childcare official, as well as a statement signed by a licensed healthcare provider for the medical exemption. For more information about exemption laws and rules see immunize.utah.gov/immunization-exemptions/.

1. Access the Education module from immunize.utah.gov.
2. Hover over "School & Early Childhood Program Requirements".

3. Click on "Immunization Education Module (Exemptions)".
4. Scroll down and click the green icon to access the Online Immunization Education Module.

5.  Sign in if you already have an account *or* create an account with a new user ID and password. For additional assistance, please visit idhelp.utah.gov for detailed instructions and an instructional video under "Account Creation".

6. Enter user information. The user is the legally responsible adult.

Instructions

1. Note: Using names and contact data that match medical records will help you have access to immunization records.
2. Click on the I have read and accept the Terms of service link below to read and accept the terms of service.

Name:

First Name	Middle Name	Last Name
Phone Number	Email	Birthdate (mm/dd/yyyy) 
Street Address	City	State ▼
<input type="checkbox"/> I have read and accept the Terms of service		

7. Click "Accept Terms of Service" and a pop-up of "Terms of Service" will appear to read and accept.

Terms

Terms of Service

I am using the Personal Immunization Portal (PIP) to access my own personal information or information of another of which I am the legal parent or guardian, using my legal identity. I am not using PIP representing another person or using another person's information or identity, even if I have that person's written permission.

I understand that PIP and immunization records contain confidential information protected under Utah Code Annotated.

I consent to the monitoring and recording of my use of PIP, including any electronic communications (such as click-to-chat or messaging).

I understand that it is a crime to:

- Give false or misleading statements to obtain information in government records;
- Give false or misleading information to obtain or alter confidential records; or
- Deceive the State of Utah about an individual's identity.

I understand that unauthorized use of PIP is a misrepresentation of my identity to the state government and could subject me to criminal or civil penalties, or both.

I understand that the state of Utah may stop me from using PIP if it finds or suspects misuse.

I accept the responsibility to properly protect any information provided to me by Utah Department of Health. I am the responsible party should any information on or from my computer or other device be improperly disclosed.

I have read and accept the Terms of service

8. Click "Begin" to take the Education module. The Educational module will take approximately 15 minutes
**Note: Once you have begun the module, you have 2 weeks to complete it and add exemptions. Progress will be saved for the 2 weeks.*

Immunization Exemption Introduction

Schools require that immunizations are current for attending students. Follow the steps below to decide if you wish to immunize your child or have your child be exempt.

Things to keep in mind before you begin.

1. After you click Begin, you will have 3 days to complete the education and select exemptions.
2. Completed exemption forms may be downloaded after the three days as long as they are still valid and available.

9. Click "Add Child":
 - a. Enter the information of the child.
 - b. Accept Terms of Service.
 - c. Save information.

Exemption Forms

Contact Information	Exemptions	Edit	Download
