Danger! Temps above 8^{o} are too warm. Write any unacceptable temp to the right* and call VFC immediately!

Danger! Temps below 2^{o} are too cold. Write any unacceptable temp to the right* and call VFC immediately!

Danger! Temps above -15^{o} are too warm. Write any unacceptable temp to the right* and call VFC immediately!

Unacceptable temperatures:

1. Store the vaccine under proper conditions as quickly as possible.
2. Call the vaccine manufacturers to determine whether the potency of the vaccine has been affected.
3. Call the Utah Immunization Program at (801)538-9450.
4. Document what action was taken to ensure vaccine viability.

***Record actions taken for unacceptable temps.**

Date	Temp	Action

Instructions: Please use black or blue ink only. Place an "X" in the box that corresponds with the temperature (columns), day of the month, and am or pm (rows) for your temperature check. Then enter your initials and the time you monitored the temperature in the appropriate boxes.
