Danger! Temps above 5° are too warm. Write any unacceptable temp to the right* and call VFC immediately!

Unacceptable temperatures:

1. Store the vaccine under proper conditions as quickly as possible.
2. Call the vaccine manufacturers to determine whether the potency of the vaccine has been affected.
3. Call the Utah Immunization Program at (801)538-9450.
4. Document what action was taken to ensure vaccine viability.

*Record actions taken for unacceptable temps.
