	CSL Limited	<b>Afluria®</b>	5.0 mL <sup>1</sup> multi-dose vial	

**All influenza vaccines are stored in the refrigerator. Questions: Toll-free: 877-2Get-VFC (877-243-8832)**

1. Contains preservative and cannot be given to children younger than 3 years of age and pregnant women per California law (Health and Safety Code 124172).
2. ACIP recommends nasal spray influenza vaccine for children 2–8 years of age when it is immediately available.

 These vaccines are available through the Vaccines for Children Program in 2014-2015 and can only be used for VFC eligible children through 18 years of age.

# Adult Influenza Vaccine

2014-2015

For influenza vaccines licensed for both adults and children, see page 1.
