

USIIS Updates

Utahid
New Portal

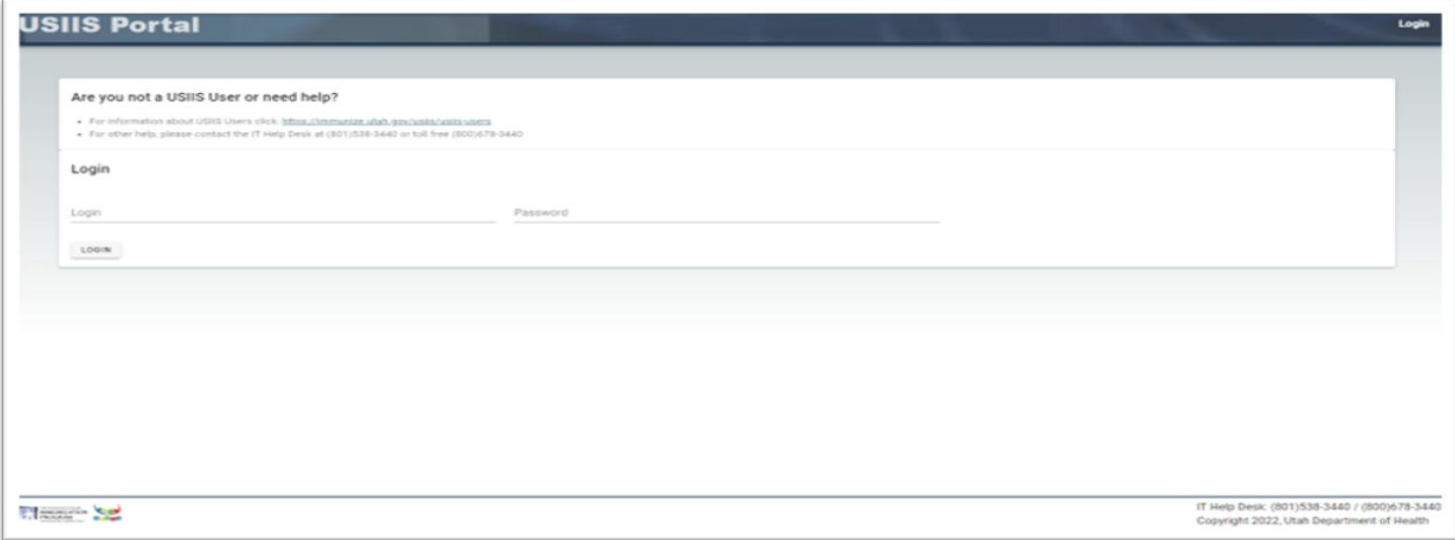

All USIIS Users that access the USIIS Portal will need a *Utahid* account.

Use the new URL usiisapps.utah.gov to access the Portal. The *Utahid* login page will appear.

If you have an existing Utahid account and the email address used matches what is in USIIS, your account will link automatically

If you have a *Utahid* account but the email address does not match what is associated with your USIIS account you will be asked to enter your existing USIIS login credentials.

The screenshot shows the USIIS Portal login interface. At the top, there is a dark blue header with the text "USIIS Portal" on the left and "Login" on the right. Below the header, a white box contains the heading "Are you not a USIIS User or need help?" followed by two bullet points: "• For information about USIIS Users click: <https://formulator.utah.gov/usis/users>" and "• For other help, please contact the IT Help Desk at (801)538-3440 or toll free (800)679-3440". Below this box is a "Login" section with two input fields labeled "Login" and "Password", and a "Login" button. At the bottom of the page, there are logos for the Utah Department of Health and the USIIS logo, along with the text "IT Help Desk: (801)538-3440 / (800)679-3440" and "Copyright 2022, Utah Department of Health".

Gmail interface showing an email titled "Register new UtahID account" from no-reply@utah.gov. The email content includes a blue header "UtahID Account Creation", a thank you message, and a yellow box containing the code "Code: 639594". A blue footer contains a disclaimer: "If you did not submit this email address in order to create a new UtahID account then you may safely delete this message." The interface also shows a left sidebar with navigation options like Compose, Inbox (2), Starred, Snoozed, Sent, Drafts, Meet, and Hangouts. The top right shows the time 8:59 AM (0 minutes ago) and a user profile icon.
