USIIS User Documentation: Demographics, Record Found in USIIS

Functionality ** Please enter all information available for person **

	"The record does not belong to your facility...." This alert will appear on the Demographic page when a record has not been affiliated with your Provider ID. The record will be in view mode only until a Patient ID has been added. You will have access to view the vaccine history, forecast and reports.
Edit Mode	Press to edit, add or change demographic information. *Please note you will need to enter a Patient ID.
Patient ID	The patient ID assigned by each facility that affiliates a record with their Provider ID. The Patient ID should be unique for each record. Schools use the student ID. Providers often use the auto generated ID given by the EMR/EHR system.
USIIS ID	USIIS ID is automatically assigned when a USIIS record is created. The USIIS ID is not editable. Each individual with a USIIS immunization record should have only one USIIS ID.

Buttons

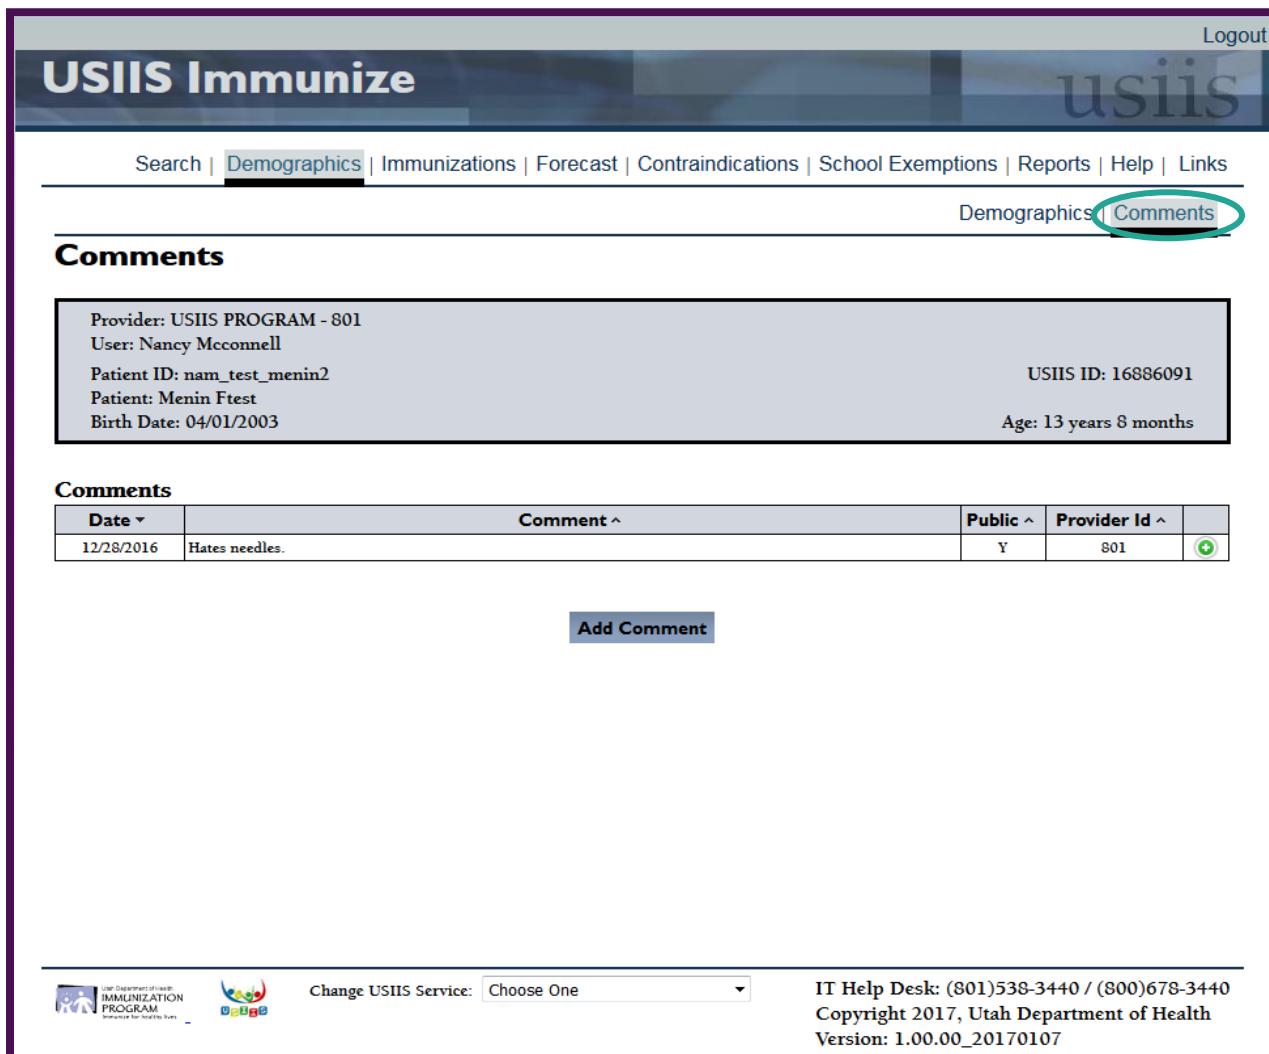

Edit Mode	Press to enter and change demographic information for the person.
End Affiliation	Press if person is no longer a patient of the Provider facility.
Save	Displays after Edit Mode is selected and edits are made. Press to save edits.
Cancel	Does not save information entered or changed. Exits Edit Mode
Reset	Displays data from the last Save.

Reports	Displays the Reports screen – for patient specific reports. Includes: Utah School Immunization Record, Immunization History Report, Personal Utah Immunization Record, Recommended Patient Forecast.
Help	Instructions, tips and tricks, troubleshooting help.

USIIS User Documentation: Demographics, Record Found in USIIS

The Comments screen allows entry, viewing and deleting comments specific to the person, which can be marked as visible to all Provider facilities or only to the user's Provider facility.

The screenshot shows the USIIS Immunize application interface. At the top, there is a navigation bar with links: Search, Demographics (which is highlighted in blue), Immunizations, Forecast, Contraindications, School Exemptions, Reports, Help, and Links. Below the navigation bar, there is a sub-navigation bar with links: Demographics and Comments (which is circled in green). The main content area is titled "Comments". It displays patient information: Provider: USIIS PROGRAM - 801, User: Nancy McConnell, Patient ID: nam_test_menin2, Patient: Menin Ftest, Birth Date: 04/01/2003, USIIS ID: 16886091, and Age: 13 years 8 months. Below this information is a table titled "Comments" with columns: Date, Comment, Public, Provider Id, and a small green circular icon. One row in the table shows the date 12/28/2016 and the comment "Hates needles." with the Public checkbox checked (Y) and the Provider Id set to 801. At the bottom of the comments section is a blue "Add Comment" button. At the very bottom of the page, there is a footer with links: "Change USIIS Service: Choose One" (with a dropdown arrow), "Utah Department of Health IMMUNIZATION PROGRAM", "IT Help Desk: (801)538-3440 / (800)678-3440", "Copyright 2017, Utah Department of Health", and "Version: 1.00.00_20170107".
